

# Sewing Thread Caddy

## Directions and Care

---

Quality Handcrafted Wood Products for Home, Office, Gifts, and Fun

---

### Directions for using our replica of this unique antique.

**To load:** Pull out dowels and center your spools of thread over the holes. Insert dowels through the center of the spools and shelf holes. Proceed to next dowel.

**To use:** Pull up the dowel far enough to remove your thread of choice. Reinsert the dowel to hold the remaining spools securely in place.

### CARE

1. Dust and polish as you would any fine solid wood furniture
2. **DO NOT** use harsh detergents or abrasive cleaners.
3. No other care is required.

---

### NOTES:

(This space is reserved for your use)
